O R D E R:

In the letter 3rd read above, the Engineer-in-Chief (Irrigation), Water Resources Department, has recommended the proposal based on the report of the Chief Engineer, Godavari Delta System, Dowlaiswaram and requested the Government to issue necessary orders for according permission to M/s Assago Industries Pvt. Ltd., Gummalladoddi (V), Gokavaram (M), East Godavari District for drawl of 950 KLD (0.3882 cusecs) of water from River Godavari located at Rajahmundry, E.G. District subject to the following terms & conditions:

1. The water can be spared based on the availability of water in the River Godavari.
2. The water drawn from the source should be utilized for the purpose for which permission is granted.
3. The Industry has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10th April every year as per BSO.
4. The consumptive utilization calculated per day fixed by the Department should not exceed under any circumstances.
5. Digital Water Meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Water Resources and Revenue Departmental Authorities at all times for inspection.

6. The Industry / Company should pay royalty charges as fixed by the Government from time to time for consumptive use / non consumptive use. The water royalty charges are likely to be revised from time to time by the Government and the Industry shall pay the revised rates as fixed by the Government from time to time. In case of failure to pay water rate/royalty, the permissions to draw water shall stands cancelled.
7. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government, the lease should be paid by the Industry, as fixed by the Government only.
8. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P. Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in their natural sources. Necessary clearance from the A.P. Pollution Control Board is to be obtained in this regard by the firm before drawl of water from the source.
9. The Industry has to lay CC(1:4:8) before laying the pipeline and CC(1:2:4) over the pipeline, refill the pipeline with proper soils and consolidate the banks as directed by the Department.
10. The Industry has to construct CC walls to avoid leakage at pipeline crossing.
11. The firm should pay security deposit fixed by the Department for which permission is granted.
12. A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the Department, for approval.
13. The Industry shall pay one year water charges as advance and any amount due to the Department before entering into agreement.
14. The Industry has to conclude agreement with the Officers concerned of Water Resources Department.
15. The Industry should make its own arrangements for sufficient summer storage of water during non supply period in their premises only and to conclude agreements accordingly.
16. The Water Resources Department is no way responsible for non supply of water due to any reasons.
17. The entire cost of construction of pump house, pipe line etc., should be borne by the industry only.
18. The industry must strengthen the river margin on either side of the proposed off take point to avoid erosion of bank and to protect the existing river margins as directed by the Department.
19. The W.R. Department is no way responsible for any damages that may occur to the off take point and pump house during floods or on account of any other reasons.
20. The W.R. Department is not responsible for any dispute that arises with neighbouring industries and public and any legal matters.
21. The firm should not create any objection for improvement/

(contd...3)

Modernization works to the said river banks in future and they have to relocate the pumps if necessary, with their own cost.

22. The Industry shall abide by R.C.Act-1884 and any other conditions laid down by the Government /W.R. Department from time to time.
23. The Industry has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10th April every year as per BSO.
24. The proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights(URR) in any manner. The permission does not confer any Riparian Right to the industry.
25. The industry should abide by any other conditions laid by the Department at later date.
26. Non-Adherence to any of the above condition by the industry will entail cancellation of the permission.
27. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
28. The annual requirement of water can be spared from River Godavari. No more drawl shall be permitted. Priority shall be given to Drinking water & Irrigation, when the river Godavari receives lean flows.
29. The point of drawl should be as fixed by the Department.
30. The concerned Executive Engineer will be responsible for enforcing the conditions.
31. The firm has to obtain separate permission duly enclosing the drawings of pipe lines and lease amounts to be paid for the Government Land to be leased as per the prevailing norms.

2. After careful examination of the matter, Government hereby accord permission to M/s Assago Industries Pvt. Ltd., Gummalladoddi (V), Gokavaram (M), East Godavari District for drawl of 950 KLD (0.3882 cusecs) of water from River Godavari located at Rajahmundry, E.G. District, subject to the terms & conditions as mentioned at above para.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Godavari Delta System, Dowlaiswaram and the Collector & District Magistrate of East Godavari District shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
